### PROFILE:

Established in 1994, California Creations is both a general building and landscaping contractor. We provide a broad range of design, construction, renovation and maintenance services throughout Southern California. We service military, industrial, commercial and residential markets.

### MISSION:

At California Creations, our primary mission is to establish lasting relationships with you, our customers, by exceeding your expectations and gaining your trust through exceptional performance from every member of our team.

### SERVICES:

Whether your needs involve interior or exterior work, we've got you covered from concept to completion. We offer a well orchestrated collaboration of architects, project managers, maintenance crews and specialty contractors covering a broad range of trades. In addition to our human resources, we own a fleet of trucks (ranging from 5,000 to 50,000 GVWR) and a half an acre full of construction equipment. Our services include:

**Architecture:** We prepare plot, floor, elevation, planting and irrigation plans in black & white, color and 3-D.

**Remodels & Renovations:** Framing, electrical, plumbing, cabinets, tile, carpet, painting, lighting, roofing, drywall, stucco, insulation, soundproofing, doors and windows.

**Concrete:** Walkways, driveways, walls and foundations. We are proficient in concrete coloring and texturing.

**Masonry:** Block, brick, stone and veneers.

**Demolition/Cleanups/Hauling:** Concrete/masonry demolition, brush clearing, weed abatement and hauling. We own a skid steer with hydraulic breaker, backhoe, auger and brush clearing attachments.

**Landscaping:** Designing, planting, irrigation, drainage, fences (i.e., wood, vinyl, wrought iron, chain link), tree trimming/removal, lighting and grading.

**Grounds Maintenance:** Mowing, edging, sweeping, raking, blowing, pruning, trimming, weeding & fertilizing.

**Rubbish Container Rental:** We own several dump trucks including a 50,000 GVWR roll-off truck with several containers ranging from 20 to 50 cubic yards.
